

OAK CLASS NEWSLETTER

Term 6 2025 / 26

Welcome Back to Term 6

Welcome back to Term 6! We are looking forward to another busy and exciting term in Oak Class filled with lots of learning, exciting school trips and opportunities to celebrate our achievements together. We also have Sports Day to look forward to, as well as special events and celebrations for our wonderful Year 6 pupils as they prepare for the next stage of their journey. We can't wait to make the most of our final term together!

Reminders

As the weather becomes warmer, please ensure your child brings a **sun hat** to school and that **suncream** is applied before arriving each morning. Please also ensure your child brings a filled **water bottle** to school every day. Staying hydrated is important for both a healthy body and a focused mind.

PE Days

Our PE days this term are
Monday and Thursday.

- Wed 15th to Fri 17th July - **Y6 Residential to Back to Bear**
- Mon 20th July - **Y6 Leavers Service @ All Saints Church**
- Wed 22nd July - **End of Term 6**

English

This term in English, we will be exploring a range of different stimuli to inspire our writing. Using a variety of texts, images and prompts, pupils will practise writing in different forms, including diary entries, persuasive letters, descriptive pieces and more. Through these activities, children will continue to develop their vocabulary, sentence structure and ability to write creatively and for different purposes.

Maths

- Year 5/6: Algebra and Statistics - learning how to solve simple algebraic problems, interpret data and present information using a range of charts and graphs.
- Year 4: Fractions - recognising and finding equivalent fractions, counting in fractions and solving problems involving fractions.

Science

- **Year 5/6:** will investigate the enquiry question "**How reflective are space blankets?**", exploring reflection, light and how materials can help to retain heat.
- **Year 4:** will explore the enquiry question "**How does food affect muscle fatigue?**", carrying out investigations to learn how nutrition and exercise can impact the body.

History

In History, pupils will explore the question "**Who should go on the £10 banknote?**", learning about significant historical figures and debating who has made the greatest impact on British society.

Art

In Art, pupils will explore **mixed media and painting techniques to create portraits**, experimenting with colour, texture and composition inspired by a range of artists.

Music

In Music, as we prepare to say goodbye to our Year 6s pupils will work together to **compose and perform a leavers' song**, exploring lyrics, melody and performance techniques to create a meaningful final piece.

PE

Oak Class will have PE on **a Monday and Thursday this term.**

- Monday - children will be taking part in **Tag Rugby**.
- Thursday - children will be taking part in **Rounders** with our JB Sports coach Mr Giles.

PSHE

In PSHE, pupils will explore the topic of **changing bodies**, learning about physical and emotional changes in an age-appropriate way. Children will be taught in their separate year groups to ensure that learning is suitable and relevant for each age and stage of development.

RE

In RE, pupils will explore the question "**What is a worldview?**", learning about different beliefs, values and perspectives, and reflecting on how these can influence the way people live their lives.

Computing

In Computing, pupils will be **introduced to Python programming**, learning how to create simple programs, use commands and understand how coding can be used to solve problems.

Spanish

In Spanish, pupils will explore **Spanish culture**, learning about traditions, celebrations and everyday life while developing their speaking and listening skills.
