

Beech Class Newsletter September 2024

Welcome to an exciting year in Beech Class. We are being taught by Mrs Whitfield and Mrs Blair this year.

We are starting the term by reading 'The Journey Home' by Frann Preston-Gannon which is a wonderful book about looking after the environment. Our maths will be place value so Year Twos need to count to, and back from, 100 and Year Ones need to be confident forming their numbers.

In science we are looking at materials so please discuss the materials around your home with your child. In history we are thinking about childhood, in particular in the 1950's and 60's. See if you can share older family members' experiences in these periods. In R.E. we will be studying Islam and in PSHE we will be discussing our rights and responsibilities.

Our P.E. days are Monday and Wednesday. Your child will need their P.E kit and a jumper or sweatshirt as we will be outside sometimes and the weather is getting colder.

Your child will have a phonics book and a choosing book in their reading folder to share with you. Please remember to write in their diary.

We appreciate your continued support and are looking forward to a happy and productive year in Beech.
